So, in the end,

The troubles were
caused by a girl who
didn't even know
she was dead and
was longing for love.

I guess she decided
to pick on you when
she saw you.

Well, this is just great.
It's not like I can just
tell her to play with you
who can't even see
ghosts.

타타타타

A train is
approaching.

I want to help
her.

What?

Shin, I have
a favor to ask.

What is it?

What you told
me before.

A way to learn how
to see ghosts,
teach me!

IN To The
New World

Are you serious?

I am always serious

Nothing would change even if you could somehow see ghosts, you know

Well, I mean!

—Um, actually—

?

Actually ...

I don't
even know
how ...

... You don't want
to teach me ?

... Really ?

Yeah...

But...
I really don't
know !

In my case, I've
lost the ability
clean hands !

How useless !

What...

Ah !!

Yes ...
I think I may know
how.

What? How would
you know when
I don't even know?

In order to
help -

I need you to go
somewhere with
me!

To where?

What I need
to do first is ...

Where are we ?!

Is it true?
She claims to have
seen you.

He doesn't
think so.

I saw him. That's
what matters!

So, you are trying to
experience near-death
situation, I guess?

You know what?
I am afraid of height,
so I am pretty darn
sure that I will
experience death!

Looks
sad.

Y y, you will see ...
I am jumping now ... !

I will succeed !

Bungeeeee !

I won't blame myself
for being powerless
anymore !

In To The New World

It looks like it wasn't near-death experience. You experienced death itself!

You passed out so soon as you jumped?

Don't laugh. It wasn't funny.

It hurts... it's hurting now.

Looks like you should grow up on that side.

It's not over yet ! I will try until I find the answer !

What are you saying ?!

You might actually die, you know.

0%

Afterward ...

Run until near-death.

Swim until death.

Eat until "near" death.

Halppa!

Are you alright?

I still can't see anything.

You should stop. I can see ghosts anyway.

I will help you

No... I will try bungee jump once more.

Lee Ha-Kyeong!

It may work this time.

Lee Ha-Kyeong!

What's gotten
into you ?!

Why are you so
desperate ?!

I want to help her.
I want to help
Hyeon-Seo.

I don't like how
guilt-ridden I am
now!

... I don't want to
sit and just wait.

Why do you want to
help her ? She attempted
to kill you.

She was a decent
kid back then ...

It could be what Do-Hui
might become in the future !

If he can't attain
peace ..., he might
become like her ...

After I die ..., he will be
left alone in this dark
world without anyone
knowing her ...

He might become
like her and hurt
people.

Without attaining
peace, he will be left
to wander the world
forever.

You asked me before I
that I should hope for
him to attain peace !

Do you not
want him to attain
peace?

What you said ...

Were you worried
that he might
become like her?

To The
World

I want to help I

Hyeon-Seo

And Do-Hui !

파타

IN TO

A paper
plane ?

How can you
be here ?

It's you!

I have to
talk to you ...

哇

吓

Kkyack!

Don't act all friendly!

Hurt ?!
You think
that hurts ?!

You have no
idea how long
I've been
hurting !

Don't be afraid.

What I want
to show her is

Hyeon-seo, I want
to ask you something.

Must Fear.

Why did you visit
me after 10 years ?

Why would
you be curious
about that
now ?!

In To The
World

I had waited for you
as usual at the
bridge.

The bridge ?

I eventually had to give up
on waiting and went out
to search you ! It had taken
a long time to finally locate you !

Then I found you
happy ! When I
was miserable !

Is that all ?

That just made
me so angry !

What do you
mean by that ?!

You have no idea
how much I hesitated
to go out and look
for you !

When I finally found
you, you couldn't
even recognize me !

And it turns out
that's because
I am dead ?!

Is that why
everyone ignored
me ?!

Hyoon-see ...

Everything

I tried was for
nothing ...

What am I
going to do

How much longer
do I have to be
alone like this ?

I didn't even
know that I was
dead ...

I ...

I didn't know ...

I see ...

Her anger was -

Not directed
at me.

Hyun-seo ...

IN TO THE
New World

It wasn't that
you wanted me to
say sorry to you,
was it?

Mom!
I am so sorry!

It's all
my fault!

Please,
look at me!
Listen to me!

When a child doesn't
get attention
s/he needs,

The child tends to think
what s/he has done
wrong first of all.

IN TO THE
HOW

It's not your
fault that you are
lonely ...

...Forget it.

I was just a ghost who
didn't know that she
was dead and was
bothering people.

I was ...

Just a fool ...

The reason ...

She waited 10 years
to start looking for me
was ...

Because she didn't
want to upset
me.

This is not the end.

Nothing changed.

Your mind is -

Still full of
loneliness !

I promise !

I promise to
help you !

Lies.

You couldn't
even see me.

I am not
lying!

I am looking
right at you
right now!

Most of all,
right now.

She doesn't need
apologies.

I honestly don't know
how I can see you
now.

But I know this
for sure.

My desire to help
you was the cause
of this miracle!

2/10

Your wish is -

And I will fly them
until it reaches you.

But this
time

I will write
a wish on it.

Though probably ...

I won't be able to
fly them after like
you did ...

What do you want
to do ...?

But once more

Let us ...

Let us fly paper
planes

Shall we ?

아

It is just an excuse
for the living

When they say they
will forget the dead
and live on happily.

That was what Shin told me once.

Lee Hye-kyeong!

!!!

It hit me anew this time.

Where did you disappear to?

What was that fight?

He-kyeong?

???

Let's -

Let's be happy once again.

Ha-Kyeong !

Ugh !

Kikyack !

So, that's what happened

She had a kind heart

But her heart was tortured by loneliness so for too long

Ha-Nyeong!

See this? They fly farther if I try to touch them!

Awesome!

I wonder how I could suddenly see them.

Well,

Probably it has something to do with the light.

It didn't feel foreign.
It felt warm ...
